

Ciao Giuseppe- Just put in 10 euro's worth so I can make it home.

Ciao Signore, It seems your countrymen are finally turning against your Presidente. What do you think's behind it?

Well, it could be any number of things: the rigged elections, the 9-11 intelligence failures, the lies justifying the invasion of Iraq, torture at Abu Ghraib, the budget deficit, the Plame scandal, the downtrend in wages, the bungled occupation of Iraq, the increasing numbers without healthcare, the fall of the dollar, the Downing Street memo, the trashing of the environment, the destruction of New Orleans, the FEMA screwups, or the Frist and DeLay scandals, but....

we Americans are a very forgiving people and most of my countrymen just see these incidents as bumps in the road. **What they won't accept is the \$3. per gallon gasoline!**
