### **GOES TO JAMIE LEIGH JONES**

**Screwed by Halliburton and abandoned by Justice, Ms. Jones has physically endured what many fellow Americans only felt was happening to them. Unlike most, she's actually done something about it.**

After being drugged and gang raped by fellow Halliburton/KBR employees in Iraq, locked up and fired by her employer for reporting the crime, and told by the Justice Department that it has no jurisdiction in Iraq, Ms. Jones has established a foundation to help rape victims working for US companies abroad.
