

Pollsters, pundits, Republicans, Democrats, and even mainstream journalists are predicting that the Democrats will take control of Congress in the wake of the Iraqi debacle, Hurricane Katrina and the daily congressional scandals.

While others all about him are losing their heads in panic, only the unflappable Karl Rove holds firm.

We'll keep control of both the House and the Senate. I'm sure of it.*

* Historical footnote. In 2003 Diebold CEO Walden O'Dell declared: "I am committed to helping Ohio deliver its electoral votes to the President next year." He delivered! Mr. O'Dell is no longer with the company but this year voters in Georgia and Maryland, and many in California, Virginia, Indiana, Arkansas, Kansas and elsewhere will vote using his machines.
