

RUMOR # 1

Remember Valerie Plame, the undercover CIA agent whose cover was blown by "a high ranking administration official" ? (the chief suspects at the time were Scooter Libby, Elliott Abrams, and even Karl Rove himself) The leak occurred in July 2003, although Robert Novak has revealed that he was informed in March of 2003. Mysteriously, although the suspects in this crime (punishable by up to ten years imprisonment) are limited in number, little progress has been made in the two year old investigation. Our unnamed, uninformed source points out that the twins turned 21 on November 25, 2002 and that there were sightings of the President out celebrating their coming of age at one of their habitual watering holes, where it's believed that a born again cocktail waitress overheard the President commenting on the subject, and later felt duty-bound to help by passing along the information to the press.

"Bottoms up Daddy!"

"CIA sombitch ...Vaeleriee...."
