

I've got a plan to increase wetlands by 3 million.

We're now including all backyards with swimming pools.

We proposed and passed a healthy forest bill which was essential to working with- particularly in Western states- to make sure that our forests were protected.

The new logging roads will serve as firebreaks.

I guess you could say I'm a good steward of the land.

Yeah, and Gail Norton is the Sister Teresa of the environment!
