

HIGH LEVEL TALKS PROCEED IN WASHINGTON WITH REGARD TO AMERICAN FOREIGN POLICY

Who's our friend

No. Al Qaeda-in-Iraq's our friend

Where's our friend

In Syria

Who's our enemy

Al Qaeda

But that's our friend

Who's our friend

Where is who

In Syria or maybe Libya

Who's in Iran

I thought he's in Syria

I say kill 'em all

Who will do it

Good, he's our friend, right

Who's our friend

That's what friends are for
